K-array Kobra Systems with ABC in London

ABC, leader company in the event management sector, chose to use Kobra K-array systems for an important event in London.

04-02-2008

ABC, leader company in the event management sector, chose to use **Kobra K-array** systems for an important event in London.

Thanks to their "invisibility", the systems complied with both aesthetic and technical needs. The following photos clearly show the extreme compactness and cleanness of line of this "all-Italian" loudspeakers.
